wazaelimu.com

1. Explain the various technological innovations that Africa had made by the 15th century. What is their significance to the development of African countries today?
2. With the reference to pre-colonial African Societies, use six points (6) to show how this statement led the transformation of pre-colonial African societies.
3. “Though he never achieved it all, Marcus Garvey’s role to the liberation of Black people in the world can be under estimated”. Asses this statement with six points.
4. Colonialism and imperialism are two concepts, which did not intend to develop Africa, but practically there are some traces of development on the ground. How would you reconcile such conflicting statement? (six point)
5. Analyze agricultural policies and strategies taken to improve agricultural production in the colonies during and after Second World War.
6. “African working class up to 1945 was small and unconscious” justify this statement with six points.
7. Discuss role played by ex – world war solders to the rise of African nationalism during the struggle for independence
