

**KIYALA HIGH SCHOOL**  
**END OF TERM TWO ASSESSMENT TEST 2024**  
**GEOGRAPHY**  
**S.3**

**Time: 2 Hours**

**INSTRUCTIONS:**

- This paper consists of *five* examination items
- Answer *four item* from this paper.

**Item 1**

There is increased rate of deforestation in different parts of Africa. Millions of trees are cut down annually which is a great threat to the environment and climate in particular. This is well evidenced in the image shown in the photograph below.

***Task***

Write an article to appear in the daily monitor and highlight the various causes of the phenomenon and steps that can be taken to combat the action. **(20 scores)**

**Item 2**

People in Kisoro and Kigezi highlands have impressive relief and form features which are potential resources. However, the community members cannot utilize these relief features sustainably and this has caused disasters. The area planning committee would like to get your advice on how to help the people.

***Task***

- a) You have been chosen in the planning committee meeting to prepare a speech. Point out the various challenges that are facing the community. **(10 scores)**
- b) Advise the people in the area on how to overcome the challenges. **(10 scores)**

**SUCCESS**  
**KIYALA HIGH SCHOOL**

### **Item 3**

Mr. Smith is a student of Florida University in the united states of America. He wants to study about the major rock types of East Africa, but he has no information on the geography of East Africa. He has tasked you to give him the necessary information and send to him through email before coming to East Africa.

#### ***Task***

Make a write up of about 200 – 300 words given Mr. Smith the information he wants.

### **Item 4**

Africa is a continent endowed with various natural resources. These have a deeper impact on people's way of lives. An International Environment Organization wishes to invest heavily in water resources. This organization has published a job advert for a "Regional Landforms and Water Expert"
